Datamatics

We have been associated with Karma Global for the past 10 years.

During this tenure they have been handling Labour law, entity Compliances, vendor Audit and other related compliance activities for our Company. They have been doing vendor audit on a monthly basis to ensure all the required compliances were met by the contractors to ensure that the entity will not have any compliance issues as a Principal Employer.

Since Karma Global is one of the well known professional firms in the industry with vast experience in all the areas, we find it very useful in resolving the issues in any of the areas. With their rapport and cordial relationship with the relevant government and local body authorities they were able to navigate and provide a quick and simple solutions without complicating the matters. They have separate teams which handles advisory, compliance and back end team to handle the client requirements. Whenever there is an amendment to any of the Act, procedures, forms, their team is always updated and they also educate the clients. The Senior Management Team including **Mr. Kishore Vaidya** and **Mr. Pratik Vaidya** are well respected by the relevant government department and stand out with their reputation.

**Overall we are very much happy with their services in all areas during the last 10 years of association..**
