

OUR EXPERTISE

Workforce Management

A workforce that is ready for the work.

Growth creates work before the first employee joins: defining roles, preparing documentation, coordinating payroll inputs and giving people somewhere to turn. Karma brings those responsibilities into a managed operating model.

SCOPE & DELIVERABLES

The work, made practical.

Managed staffing

Temporary and fixed-term staffing, mobilisation and joining coordination around agreed roles and locations.

Employee lifecycle

Documentation, attendance inputs, employee requests and exit coordination with responsibilities agreed at the start.

Apprenticeship administration

Programme coordination, records and employer responsibilities for an apprenticeship engagement.

Site coordination

A working rhythm between the business, operating locations and the team managing the workforce.

WHAT YOU CAN WORK WITH

- A role, location and headcount brief
- An onboarding and document responsibility plan
- A defined route for attendance inputs and changes
- Employee support and escalation contacts
- An agreed operational review and reporting rhythm
